

The Windsor II

Features

The Windsor II, with its open raised entryway, is stately and classic. The living areas allow the flexibility to design your own sitting and dining areas. A spacious Kitchen offers plenty of room for a table setting near the windows. You'll find a Breakfast Bar that opens to the Great Room and expansive Screened Lanai. The Master Suite also opens to the Lanai, and features a luxurious Master Bath with Garden Tub, shower and double vanity.
